

How to Find Our Seattle Office

(Last Updated: 08/15/10)

Address

Wilburforce Foundation
[3601 Fremont Avenue North Suite 304](#)
Seattle, WA 98103
206.632.2325

By Bike from downtown

From downtown there is a bike lane along Dexter Avenue North that leads directly into Fremont Avenue. In addition, all Metro buses have bike racks, and there is no charge for carrying your bike on a bus. There is a bike rack in front of our building, or feel free to bring your bike up to our offices.

By Bus from downtown

Take the #5 bus from 3rd Avenue downtown, or the # 26 or #28 bus from 4th Avenue downtown. Get off just after crossing the Fremont Bridge, and walk 1 block north to the Fremont Village Square Building at 36th and Fremont. For bus times and stop locations, visit the [King County Metro Bus web site](#).

By Link Light Rail from SeaTac Airport

Take the Link Light Rail from the airport to downtown. Once in downtown, follow the directions above. Visit this [Sound Transit](#) page for more information.

By car from Downtown Seattle

Allow 15-25 minutes for travel from downtown.

1. Find 6th Avenue. Avenues run north-south and start with 1st Avenue near the water and increase in numbers going westward.
2. Take 6th Avenue north, and stay in the right lane. At Battery Street make a diagonal right turn and head onto Aurora Avenue (Highway 99). Follow Aurora Avenue 2.2 miles and cross the Aurora Bridge, which is a long, high bridge spanning the ship canal below.
3. At the end of the bridge, turn right immediately onto an unmarked exit.
4. About 100 ft. off of Aurora Avenue (immediately past the Bridge Motel sign), turn right again onto Whitman Avenue. You are now headed south instead of north.
5. Go 2 blocks to 36th Street and turn right. Proceed up the hill, under the Aurora Bridge (taking time to notice the Troll on your right), and down to Fremont Avenue. We are located in the Fremont Village Square building just across the street on the right.
6. Continue across Fremont Avenue and turn right into the parking lot under our building (see parking information below).

By car from North of Seattle

1. From I-5, take the 50th Street exit, and turn right onto 50th Street.
2. Follow 50th Street until you reach the intersection of Stone Way North and 50th. At this point you should be in the left lane and take a soft left at the intersection.
3. Once through the intersection stay in the right lane as you pass under Aurora Avenue. You are now on 46th Street.
4. At the first traffic light after the underpass you are at Fremont Avenue and 46th Street. Turn left onto Fremont Avenue.
5. Follow Fremont Avenue south to 36th Street. We are in the Fremont Village Square building on the right-hand corner of 36th and Fremont Avenue.
6. Turn right onto 36th and right again into the parking lot behind our building (see parking information below).

By car from South of Seattle

1. From I-5, take Exit 164B (4th Avenue South).
2. At the traffic light turn right onto 4th Ave South, then right again onto Royal Brougham.
3. Go about 3 blocks and turn right onto 1st Avenue. Stay in the right-hand lane, and go about 3 more blocks to the on-ramp for Highway 99.
4. Go north on 99 for 4.0 miles until you cross the Aurora Bridge, which is a long, high bridge spanning the ship canal below.
5. Take the first exit immediately at the end of the bridge. Take a left under Aurora Avenue on North 38th Street. North 38th will quickly bend to the right, which is where it becomes Fremont Way North.
6. At the first stop light take a hard left on to Fremont Avenue.
7. Follow steps 5-6 above (see parking information below).

By car from SeaTac Airport

Allow 40-50 minutes for travel from SeaTac Airport. SeaTac is about 15 miles south of the city.

1. Follow exits from the Airport to I-5 North.
2. Follow steps 1-7 above.

Parking

Park in the lot under our building in any numbered space. . Do not park in the "Permit Only" area outside. Note the space number, but do not pay the fee. Tell us the number when you come in, and we will cover the parking fee.

On-street parking is severely limited in the area around our office. Many streets have two-hour parking limits up to 8 p.m., and they are actively patrolled. The fine for exceeding the maximum time is at least \$35, so please use our parking lot whenever possible.
